

44th Indian Biophysical Society Meeting

30–31 March
1st April, 2022

Scan to visit website

Conceptual Advances in Biophysics and its Applications

GN Ramachandran Lecture

Prof. Andrej Sali, UCSF, USA

Speakers

Allan Clay Clark (UTA, Arlington, USA)
Nikhil S. Malvankar (Yale University, USA)
Anthony Watts (Oxford University, UK)
Patrick D'silva (IISc, Bangalore)
Saikrishnan Kayarat (IISER, Pune)
Rajan Sankaranarayanan (CCMB, Hyderabad)
Prasenjit Bhaumik (IIT Bombay)

(more details on website)

Venue

ACTREC, Tata Memorial Centre, Navi Mumbai

Topics

Protein-Protein Interactions
Protein Folding, Aggregation and Related Diseases
Cellular Biophysics
Structural Biology & its Applications
Protein Conformational Dynamics
Advances in Biophysical/Biochemical Techniques
Poster sessions & Discussions

Registration

Till 15th February, 2022

| Participants | Online |
|--------------------|----------|
| Students/Postdocs | 500 INR |
| Faculty/Scientists | 750 INR |
| Industry | 1200 INR |

***Several oral and poster presentation awards from prestigious international societies like IUPAB, Portland Press (UK) and many more*

Conveners

Kakoli Bose, ACTREC
Prasanna Venkatraman, ACTREC
